Emotional Intelligence (EQ) for Managers

Seminar Length: 1 day*

Participant Numbers: 10 min, 25 max*

Participants: Managers within the organization

* recommended

Our seminars are all *modular* by design – meaning that they are highly customizable to suit your exact needs. We partner closely with you to ensure we completely understand your desired outcomes. We invest the time to ensure we understand your organization and tailor the pre-work, seminar, and post work to get you the results you want.

Managers with high emotional intelligence (EQ) combined with a high IQ tend to lead people better to achieve organizational results.

Incorporating an understanding of EQ into your workplace can improve management effectiveness, increase teamwork and have a positive impact on key measures. More and more, organizations are discovering that emotional intelligence skills in managers are a vital component of their organization's success. Great managers know how to bring out the best of people — EQ is a vital part of that skill set.

Managers who possess high EQ approach supervisory responsibilities from a different perspective. They understand the importance of communicating effectively with staff members, and treating each employee with respect while remaining laser-focused on the organization's desired results.

Additional requirements that accompany this seminar

Myers-Briggs Type Indicator (MBTI) assessment**

The data will provide an unbiased picture of the manager's present performance regarding emotional intelligence and is the basis of the personal action plan committed to during the seminar.
