

On-Demand Learning

Length: to suit your needs

Participant Numbers: unlimited!

Participants: any level within any organization

We can tailor any of our programs or we can develop a solution on a subject specific to you:

Art of Execution | Business Financial Intelligence | Charting the Course | Customer Centered Service
Emotional Intelligence (EQ) for Managers | Leading Others | Personal and Interpersonal Effectiveness
Positively Reducing Conflict | Presentation and Facilitation Skills | Team Excellence
Time Management | Work Life Balance 2.0

Everyone is pushed for time and therefore there's a growing need for On-Demand Learning — being able to access high quality and high impact professional development, at a time that best suits your employees. We have the necessary instructional design experience and facilitation skill to be able to partner with your organization, to either bring existing content of ours into your e-learning platform or create completely original content, tailored specifically to your brand culture and values. Through On-Demand Learning we can help:

- **Reduce training costs**, improve knowledge retention and allow employees the opportunity to access information when they need it
- **Digitalize** live, instructor-led training for on-demand access
- **Create engaging simulations** relevant to the real-world of work
- Develop customized **SCORM compliant** eLearning, branded to perfectly fit your organization's training needs
- Establish a **cloud-based Learning Management System (LMS)** to deliver, track, report and certify training
- **Deliver responsive Mobile-Learning and Micro-Learning** to be accessed on any device – at any time
- Bring your training to life through **engaging Gamification elements** including badges, rewards and leaderboards

Costs

Due to the range of possibilities based on Client needs, costs vary tremendously. Therefore please contact us so we can discuss your specific requirements and we will propose the most time-effective and cost-efficient solution to suit your budget.
